

CELEBRATING DIVERSITY

ANNUAL COMMUNITY DAY

Community Day occurs on the student's last day of the academic year. It is designed to be a fun, pleasurable event for the whole of the College community, both staff and students. It enables everyone to share in a wide range of diverse activities as one true community. The day provides scope for activities that celebrate the Xaverian community, and hence its ethos, Mission and our cultural diversity. Students help plan and run many of the events that range from small scale activities such as henna painting, various simple games, poetry reading etc to larger events such as sports activities, the staff play and a range of 'talent shows' ranging from dance to poetry to musical performances. Some of the events enable students to take part in something they may not have the opportunity to be involved with before. Attendance is effectively voluntary, there is no element of coercion involved, it is intended that the desire to be part of the day is what draws our students to take part, and they do in their hundreds. Feedback from students and staff indicates how successful the day is at bringing all the community together to celebrate, to share and to enjoy.
