

## **16-19 Tuition Fund**

The purpose of this statement is to set out how Xaverian College will use its 16 to 19 tuition fund allocation to support students who have been academically disadvantaged due to coronavirus (COVID-19).

### **What is the 16-19 tuition fund?**

The 16-19 tuition fund is one off funding for the 2020/21 academic year to support students and mitigate disruption to learning arising from the COVID-19 pandemic.

The funding is being used to provide small group tuition for 16-19-year olds where their learning has been disrupted and they have a GCSE Maths and / or English grade of 4 or below. Although targeted students are identified based on their prior attainment in English and Maths, the funding can be used to support students in their learning across a variety of subjects.

Examples of disruption that these students have faced / will face include assessments being deferred due to lockdown or self-isolation, falling behind in their learning due to long / multiple periods of self-isolation and not being able to complete external examinations due to positive COVID-19 cases.

The full guidance can be accessed [here](#).

### **The College has employed Academic Mentors who will:**

- Assist curriculum delivery by providing assistance and coaching to individuals and small groups (up to five) of students.
- Work closely with teaching staff to develop students' academic and organisational skills
- Track the progress made by students

Support sessions will be prioritised for the following students:

- Those with an Education, Health and Care (EHC) Plan
- Those who have a grade 4 or below in GCSE Maths and/or English

Examples of some of the Tuition Support on offer will include:

- GCSE exam re-sit preparation
- Functional skills assessment preparation
- Bespoke subject support/catch-up
- Purchase or create bespoke resources for students targeted in the tuition catch-up to support their learning

Tuition Support offered will be based on an individual needs assessment, the identification of an individual starting point, clear learning goals, expectations and outcomes.
